

Anatomy 1+2

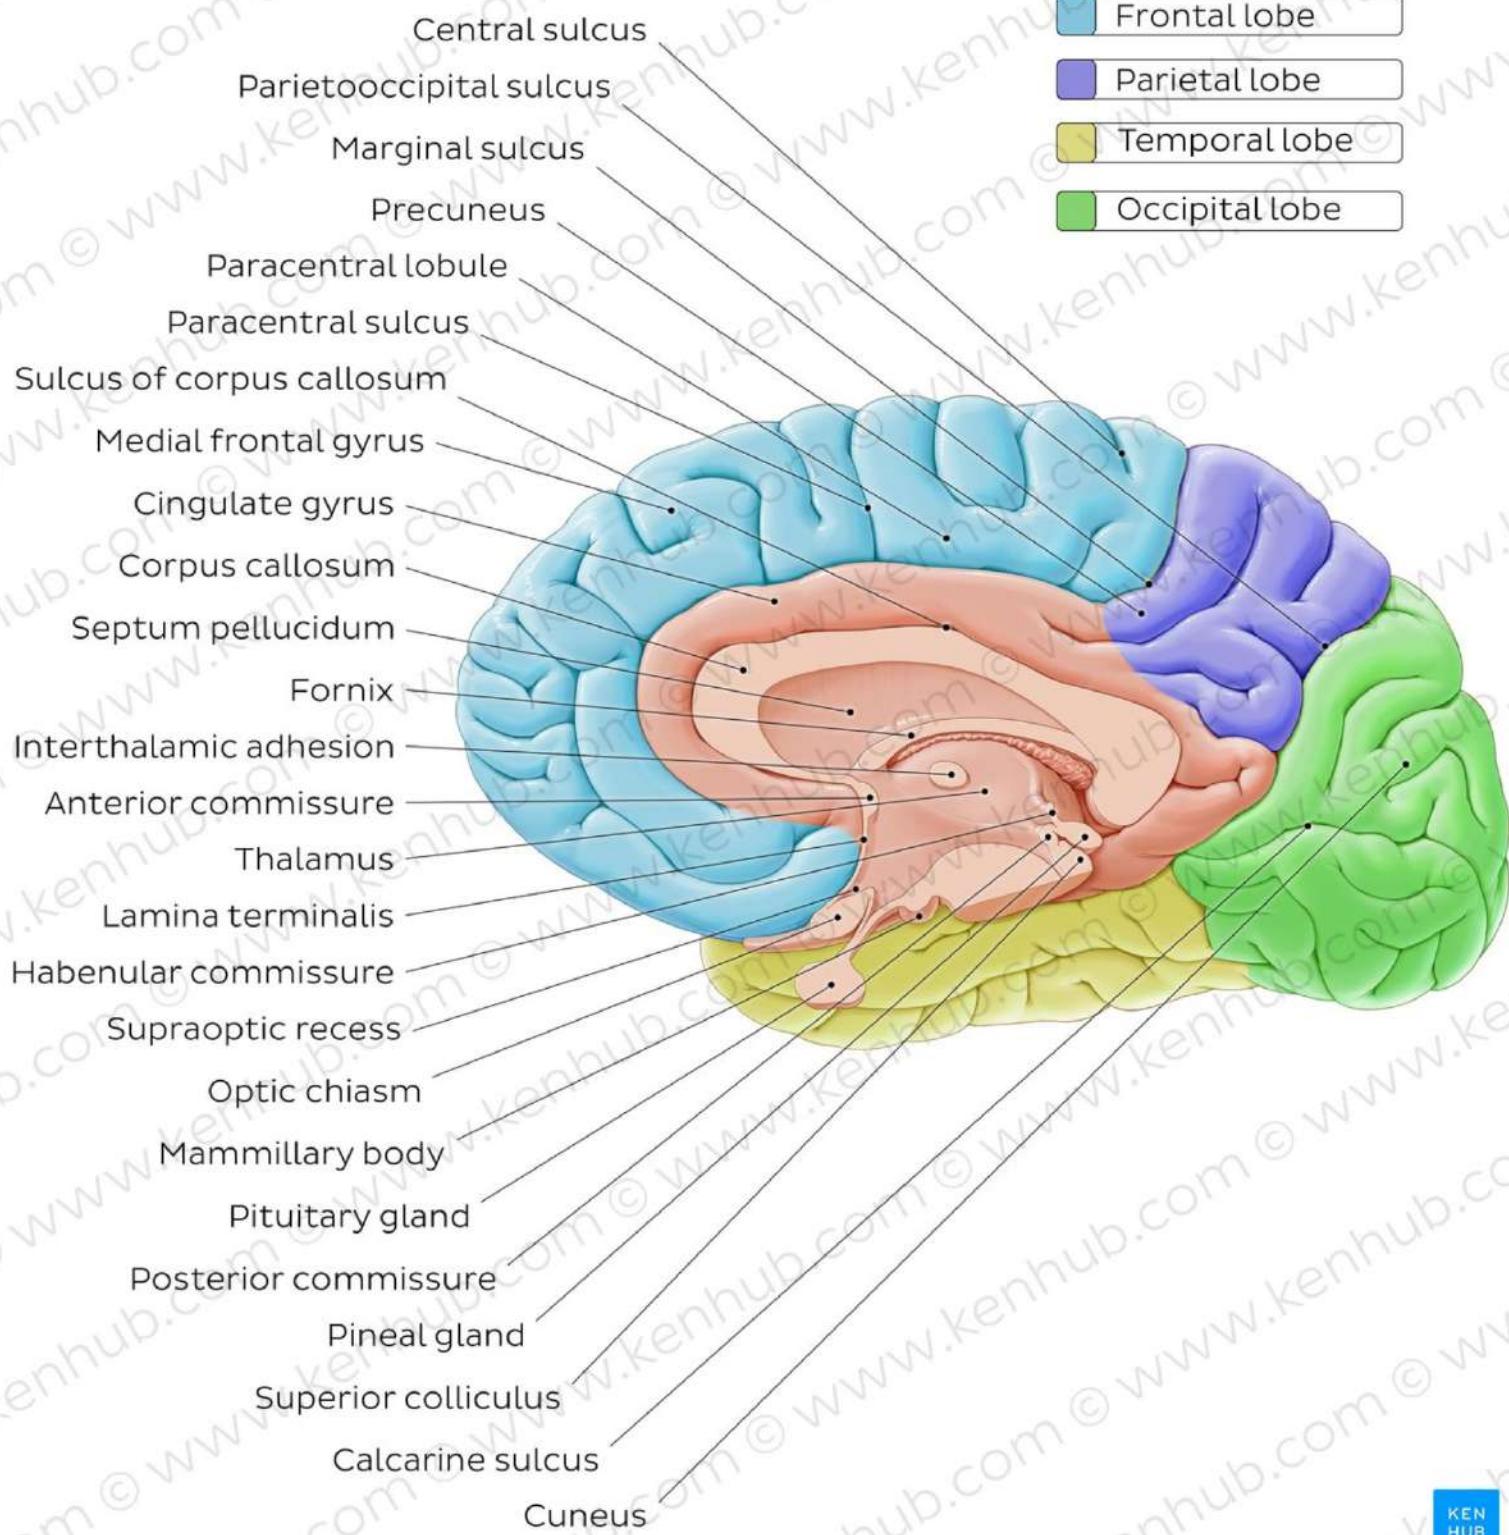

1-Brain section

2-Hippocampus, fornix and amygdaloid body

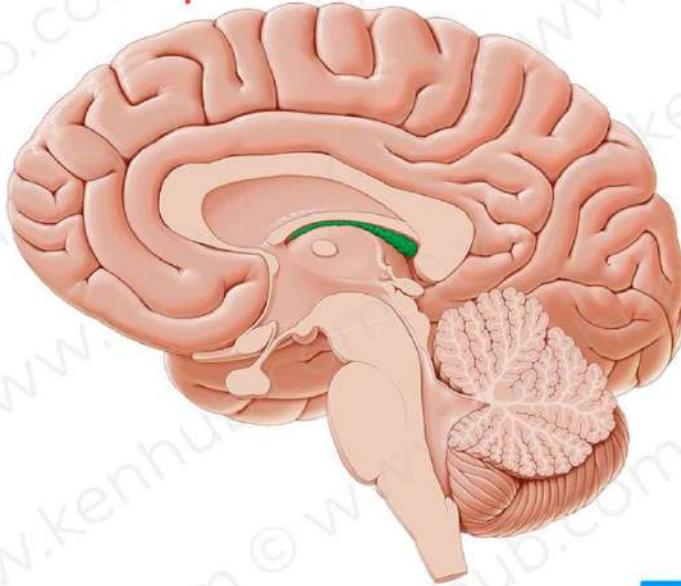

3-basal ganglia

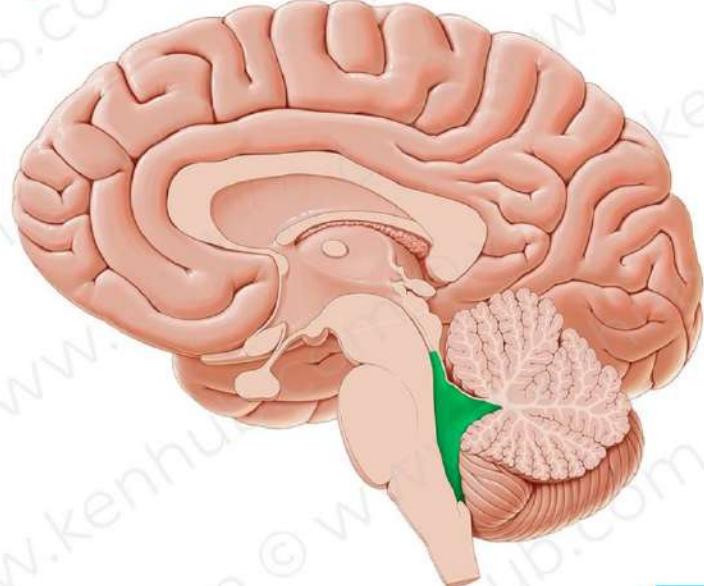

1- medial view of brain

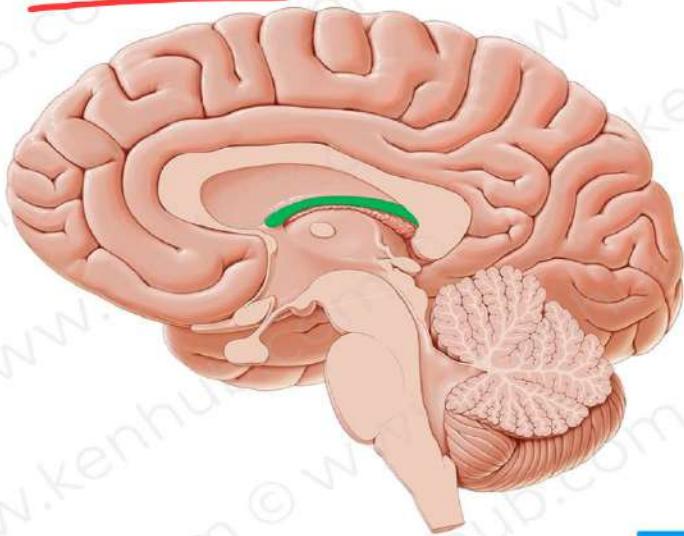

choroid plexus of 3 ventricle

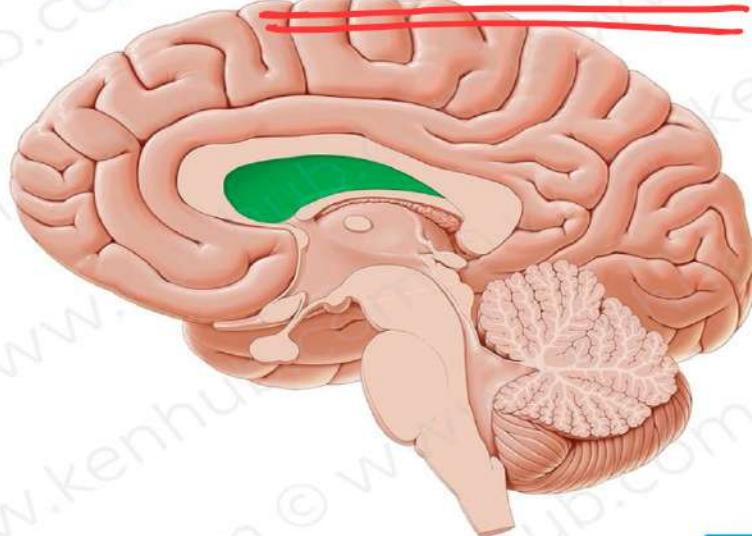

4 ventricle

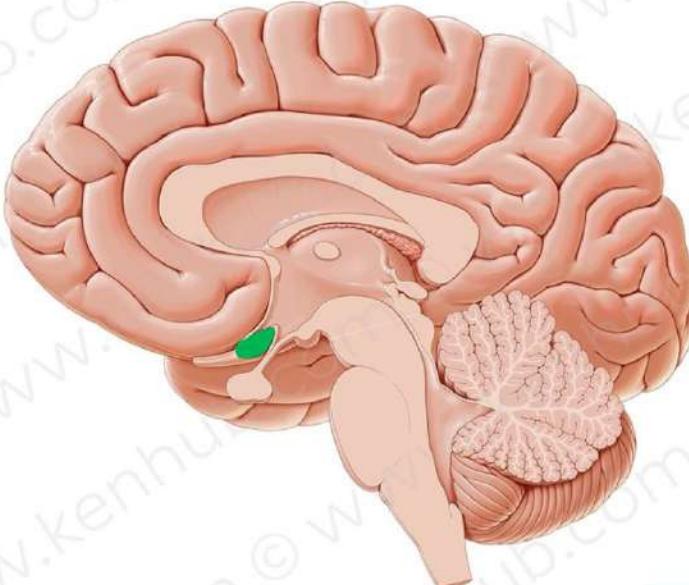

fornix

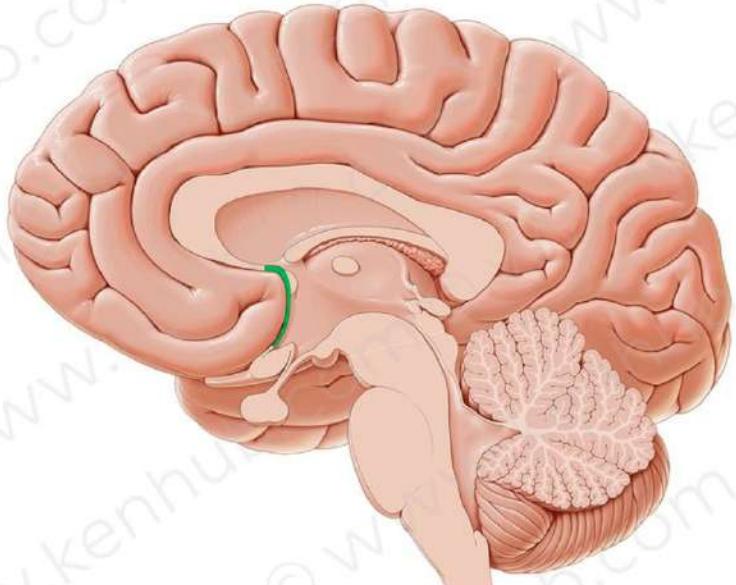

septum pellucidum

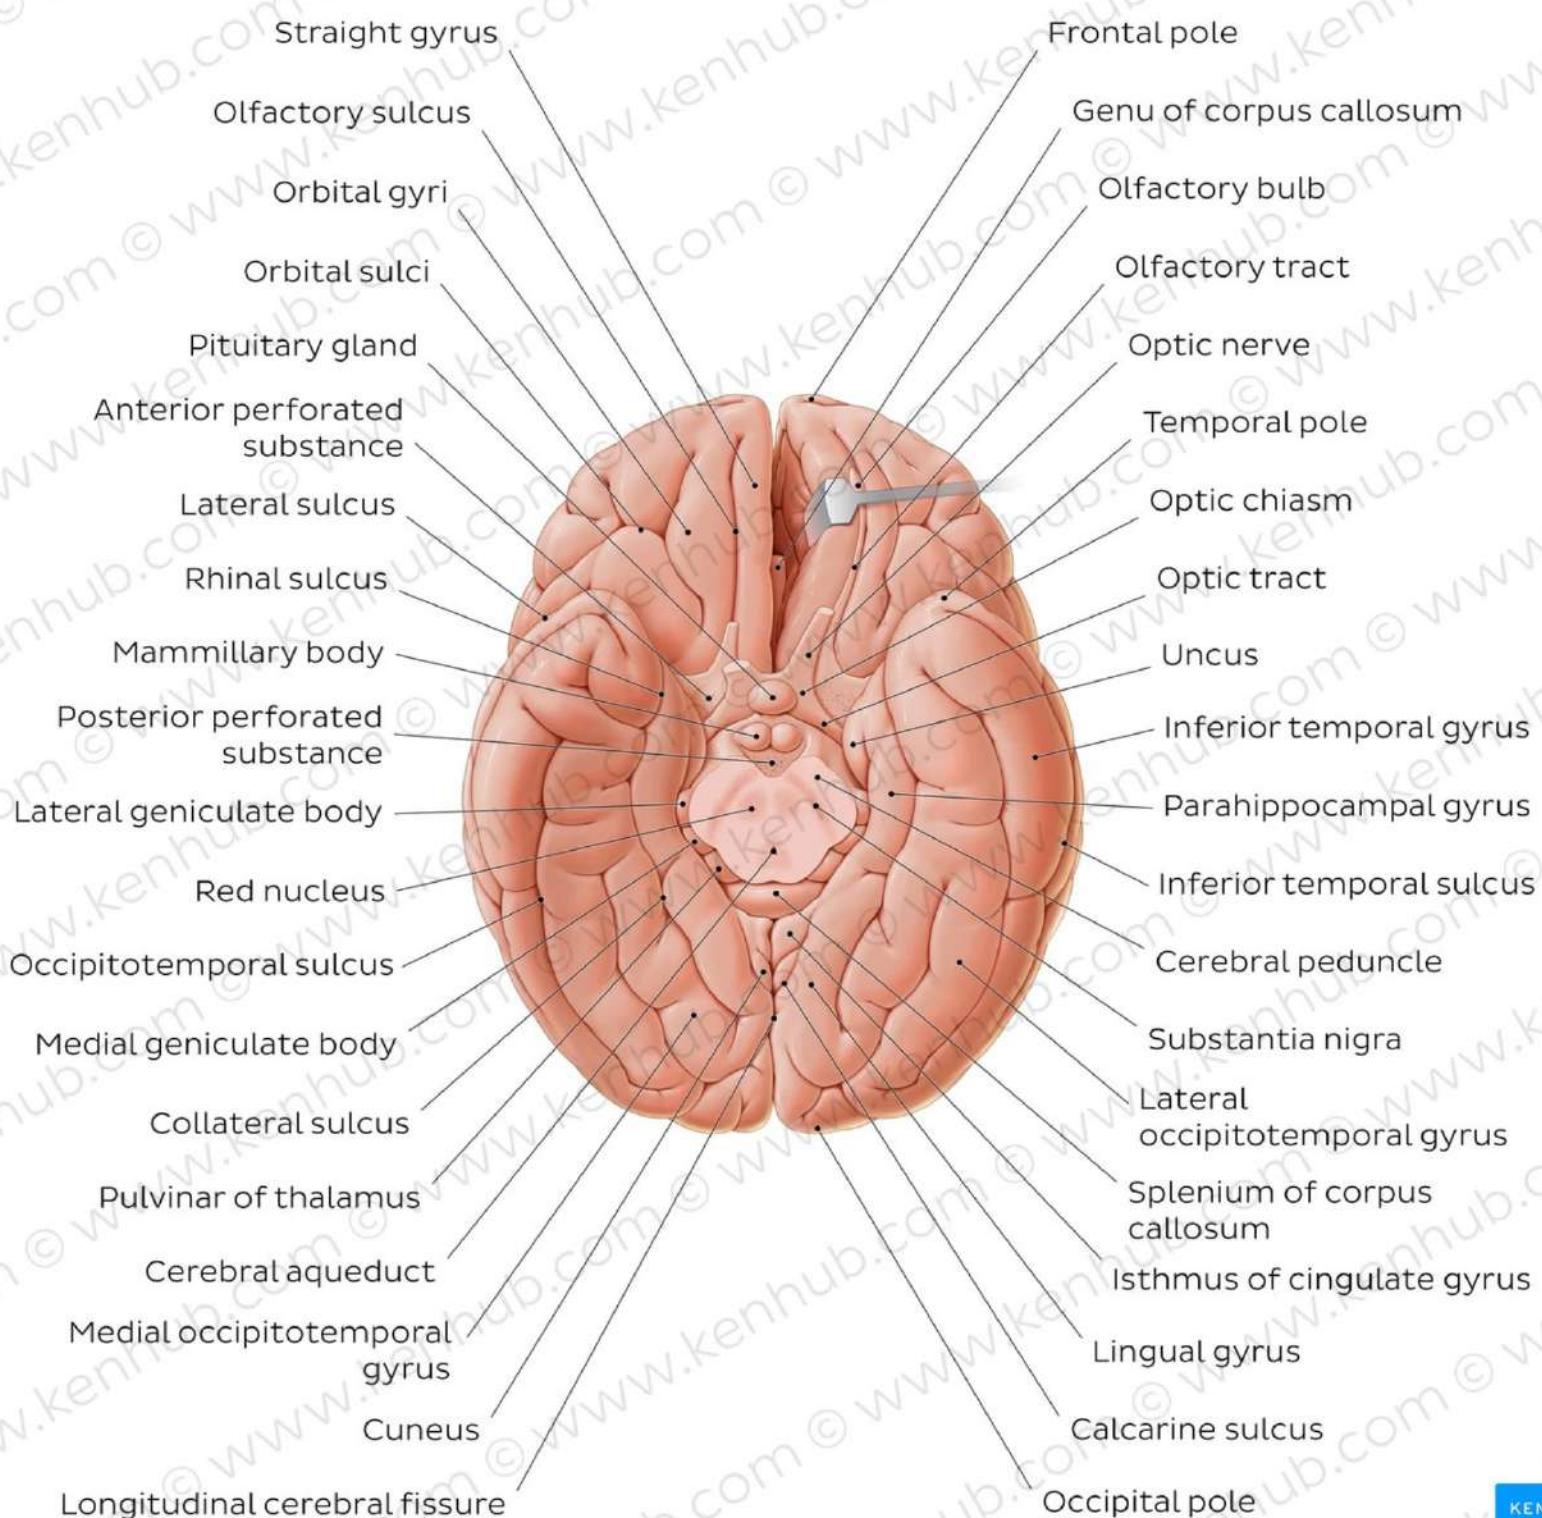

optic chiasm

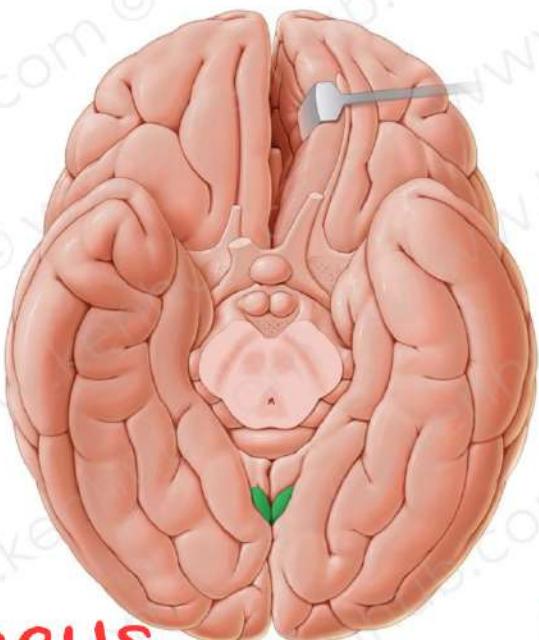

lamina terminalis

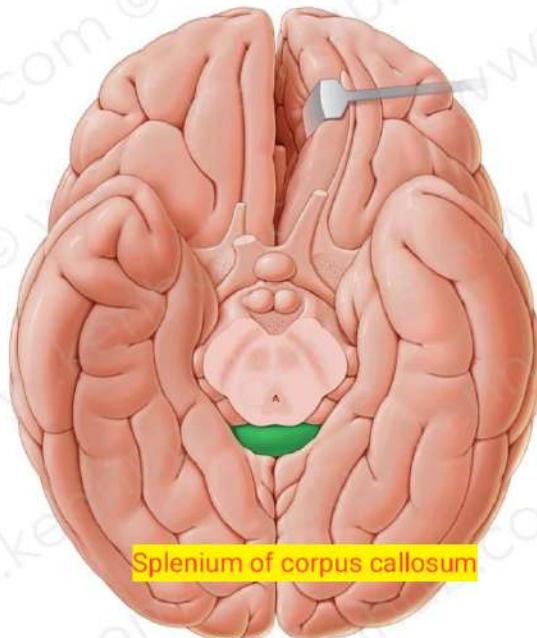

2- Inferior view of brain

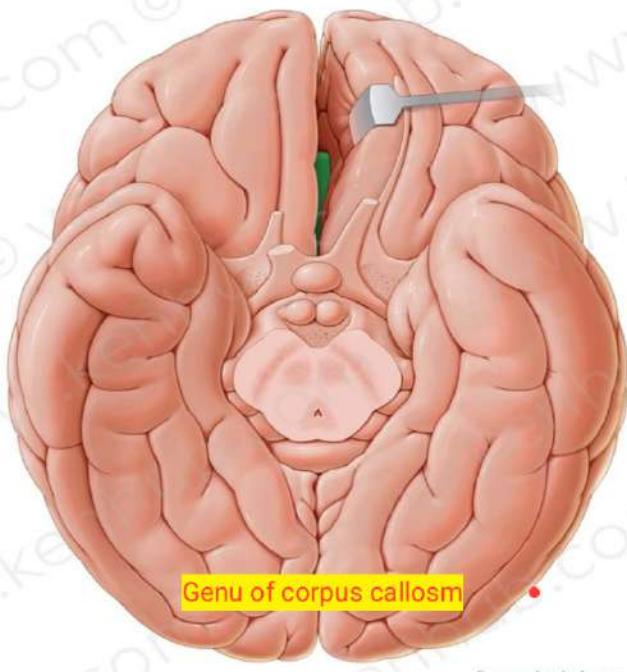

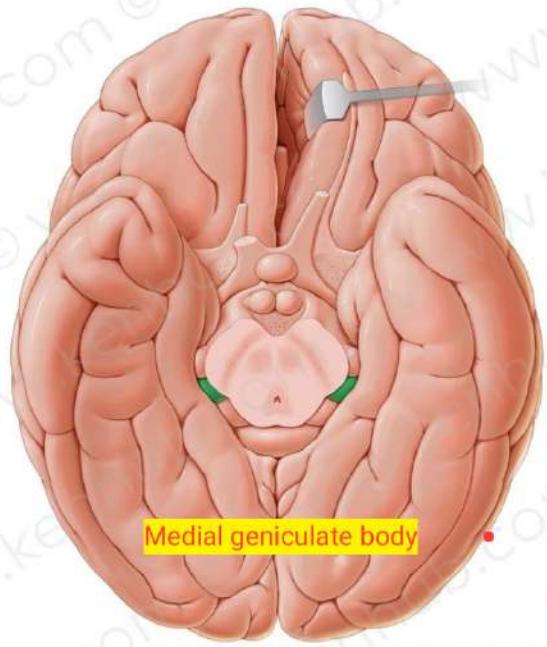

Cuneus

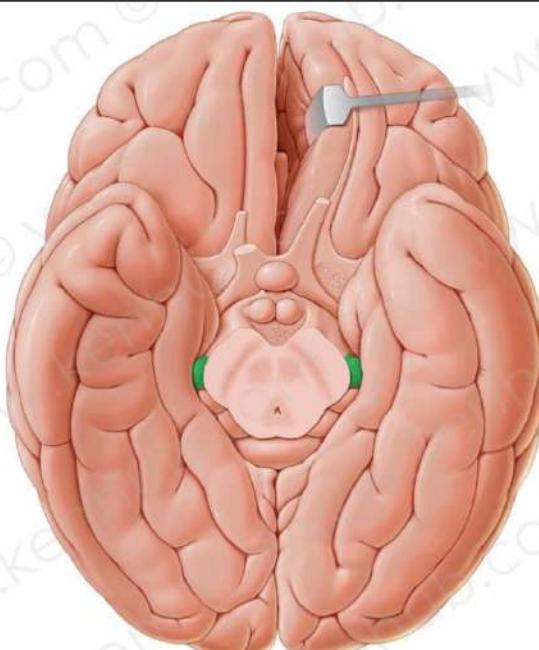

Splenium of corpus callosum

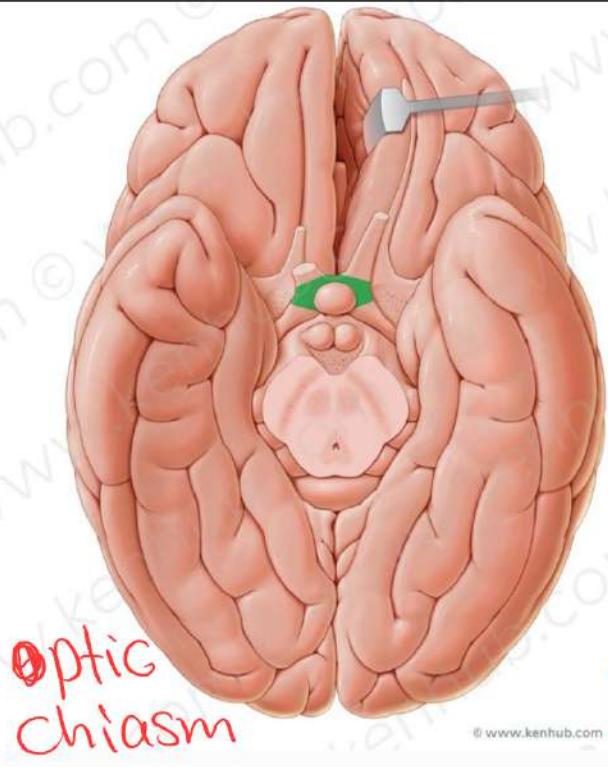

Genu of corpus callosum

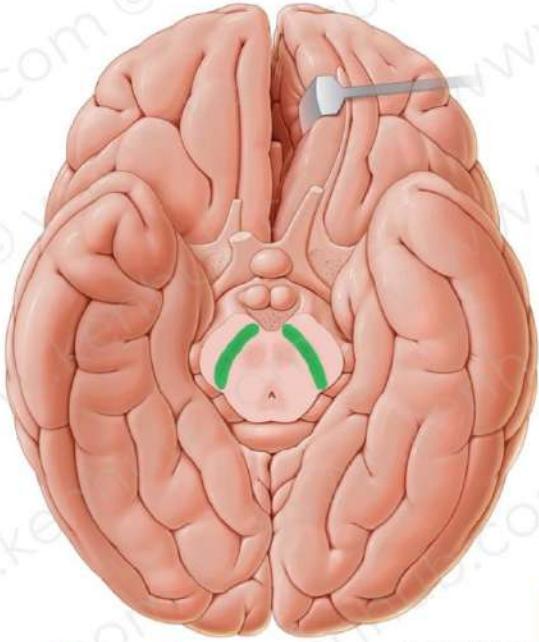

Medial geniculate body

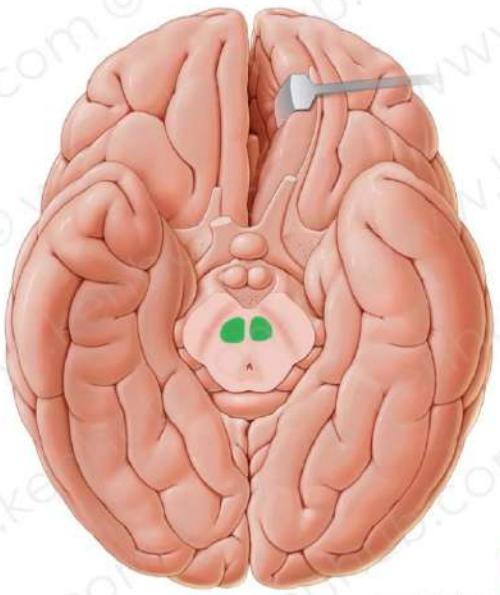

Lateral geniculate body

Optic chiasm

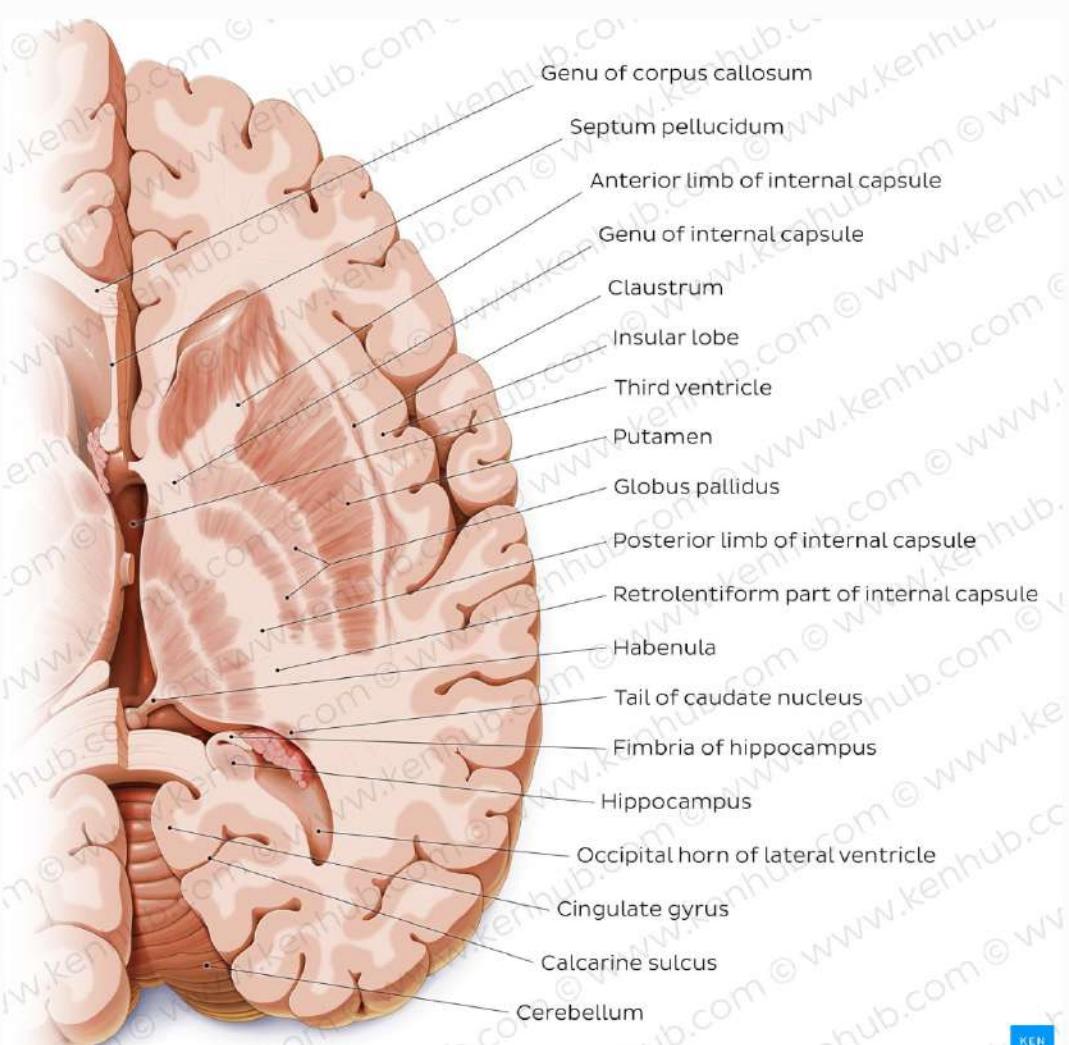

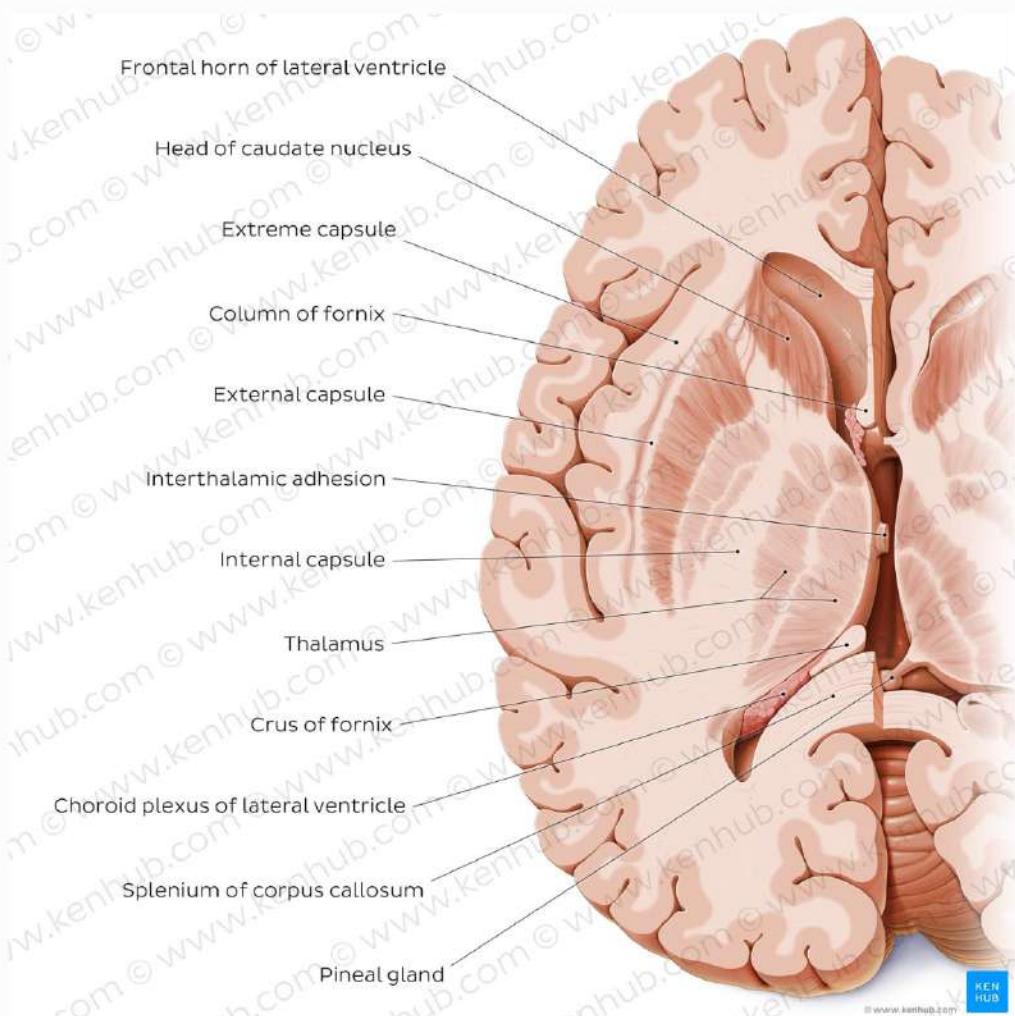

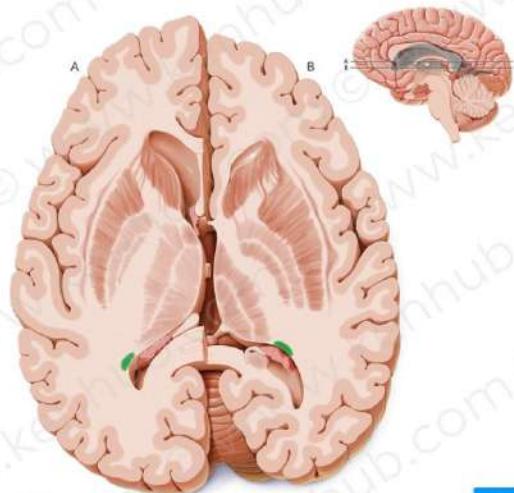

substantia nigra

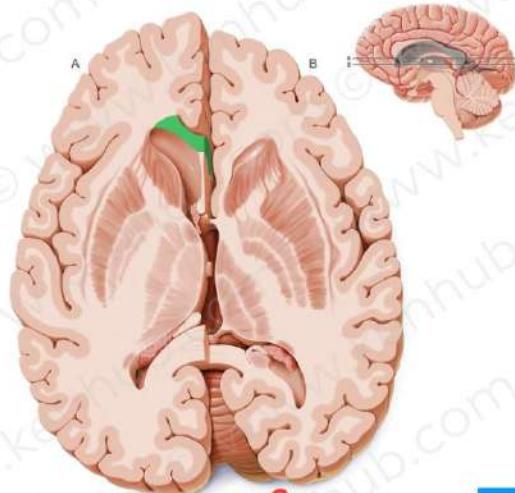

red nucleus

3- Horizontal section
